PART 04 — SIZE AND INVENTORY

12. Shoe Size Guide

STEPX uses UK shoe sizing in its sample catalogue.

UK Size	Approx. Foot Length
4	23.0 cm
5	23.7 cm
6	24.5 cm
7	25.4 cm
8	26.2 cm
9	27.1 cm
10	27.9 cm
11	28.8 cm

12	29.6 cm

Illustrative values

These measurements are dummy values, not official manufacturing measurements.

12.1 How to Select a Shoe Size

1. Place your foot on a piece of paper.
2. Mark the heel and longest toe.
3. Measure the distance between the marks.
4. Compare the measurement with the sample size guide.
5. Check the product's available sizes.

12.2 Size Availability Rules

A product's size range does not guarantee that every size is available in stock.

For example:

- AeroRun Pro supports UK 6–12.
- Its inventory has a specific record for Black UK 8.
- That does not establish availability of White UK 8 or Black UK 10.

The chatbot must distinguish between product size range and actual inventory.

13. Inventory and Stock Management

The following table contains sample inventory data.

Product	Colour	Size	Stock	Status
AeroRun Pro	Black	UK 8	18	In Stock
AeroRun Pro	Blue	UK 9	7	Low Stock

- The chatbot must not invent shipment updates.

PART 07 — RETURNS AND WARRANTY

18. Return Policy

Customers can request a return within 14 calendar days of delivery.

18.1 Return Conditions

To qualify for a return:

1. Shoes must be unused.
2. Original shoe box must be included.
3. Products should be clean.
4. Original tags should be attached.
5. Proof of purchase should be provided.

19. Exchange Policy

Customers can request an exchange for another available size or colour.

Exchange requests depend on:

- Inventory availability.
- Product inspection.
- Compliance with return conditions.

The chatbot must not promise an exchange before confirming the required variant's stock.

20. Refund Policy

Refund Detail	Policy
Refund approval	Requires inspection
Refund processing	5–7 business days after approval
Card refund	Original payment method
